**RESOLUTION NO. 2017 – 210: SETTING A PUBLIC HEARING ON PROPOSED IMPROVEMENTS TO CANANDAIGUA – FARMINGTON CONSOLIDATED WATER DISTRICT PURSUANT TO SECTION 202-B**

**WHEREAS**, the Town Board of the Town of Canandaigua, after due deliberation, finds it in the best interests of the Town to schedule a public hearing to solicit public comment upon proposed improvements to the Canandaigua-Farmington Consolidated Water District pursuant to Section 202-b of the New York State Town Law; and

**WHEREAS**, MRB Group has prepared a map, plan and cost estimate, dated July 2016, showing the proposed improvements consisting of the replacement of the existing Brickyard Road water storage tank, located on Brickyard Road in the Town of Canandaigua, New York, with an elevated storage tank that includes a mixing system and the construction of a dedicated transmission main and valve vaults that connect the new tank to hydraulic grade Zone 2A. This water storage tank as well as the water main on Brickyard Road have reached the end of their useful lives. Replacing the tank and constructing a dedicated transmission main will:

1. improve system performance by buffering peak hour and fire demand;
2. reduce wide changes in system pressure during normal daily changes in demand;
3. provide additional storage for fire demands; and,
4. improve tank water quality by promoting flow through and mixing in the tank.

; and

**WHEREAS**, the plan shows the estimated costs of these 202-b improvements to be \$9,036,000.

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Clerk be, and she hereby is, directed to schedule a public hearing, to be held on June 19, 2017, at 6:00 p.m. at the Canandaigua Town Hall, 5440 Route 5 & 20 West, lower level meeting room, Canandaigua, NY 14424.
