

Town of Canandaigua 2019 Procurement Policy

The Procurement Policy previously adopted by the Town Board on June 28, 2010 is hereby adopted by the Town Board for the year 2019. This policy must be strictly adhered to by all Department Heads and Town staff empowered with the authority to make purchases on behalf of the Town.

Town of Canandaigua Procurement Policy

1. Every prospective purchase of goods or services shall be evaluated to determine the applicability of GML, §103. Supervisor, Town Manager, Highway Superintendent, Town Clerk, Director of Development, Assessor, Director of Parks and Recreation, Town Historian, Town Justices, or other personnel with the requisite purchasing authority (hereinafter Purchaser) shall estimate the cumulative amount of the items of supply or equipment needed in a given fiscal year. That estimate shall include the canvass of other Town departments and past history to determine the likely yearly value of the commodity to be acquired. The information gathered and conclusions reached shall be documented and kept with the file or other documentation supporting the purchase activity.
2. If the Town is purchasing off a State contract (or purchasing off any properly let municipal contract), the Town is not required to engage in competitive bidding.
3. All purchases of (a) supplies or equipment which will exceed \$20,000 in the fiscal year or (b) public works contracts over \$35,000 shall be formally bid pursuant to GML, §103 and shall require approval by resolution of the Town Board prior to committing the Town to purchase such good or service.
4. Unless previously approved by Resolution of the Town Board, all purchases of Goods in excess of \$ 1,000 or Public Works Contracts in excess of \$ 3,000 require a purchase order to be approved by the Town Manager or Clerk (Finance) prior to ordering the Goods or entering into agreement for the Public Works Contract. Purchase orders will not be approved if budgetary lines are not created, or if the balance of the account is not sufficient to pay for the proposed expenditure. Blanket purchase orders of amounts not to exceed may be utilized for purchases that are of a contractual nature or related to ongoing operational expenditures such as vehicle fuel delivery, routine contracts for services provided by other entities such as insurance, and other maintenance service contracts.

If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the record supporting the procurement.

A good faith effort shall be made to obtain the required number of proposals or quotations. If the Purchaser is unable to obtain the required number of proposals or quotations, the Purchaser shall document the attempt made at obtaining the proposals. In no event shall the inability to obtain the proposals or quoted be a bar to the procurement.
