2023 Town of Canandaigua Tentative Budget & Multi-year Financial Plan

FRONT COVER DEDICATION:

The cover page of the 2023 Town of Canandaigua Budget shows an image made up of smaller images of the people who day in and day out make the Town of Canandaigua a great place to live, work, and play! Unfortunately, we do not have photos of all of our employees including our amazing highway crew, and our seasonal staff; however, they are very much appreciated for all they do.

The past three years since the COVID-19 pandemic (March 2020) have been challenging for our team dealing with any number of constant changing pressures in terms of services and needs. Everything from having to alter the way we collect trash, disinfection of playground equipment, increased needs for recreation and parks, asking our employees to do more with less assistance, and the ever-increasing demand for services from our residents.

This year's budget cover is dedicated specifically to the TEAM, our people who help bring it all together and provide an unmatched level of service to our residents, landowners, and visitors.

SPECIAL DEDICATION:

The 2023 Town of Canandaigua budget is dedicated to the people who provide extraordinary service to our community. One other such individual who went above and beyond in providing service to our community left us in 2022.

As I write this today, August 22, 2022; Gary Davis would have turned 80 years old. After moving to Canandaigua in 1977 Gary held any number of positions with the Town over the years including the Zoning Board of Appeals, Agriculture Committee, Complete Streets Committee, Ordinance Committee, and left us while serving as a member of the Town Board.

MESSAGE TO RESIDENTS/TAXPAYERS

It is my honor to share with you the 2023 Town of Canandaigua Tentative Budget which keeps the Town Tax Rate relatively flat at \$1.06 per thousand of assessed value while continuing to provide quality service to our residents and investing in our infrastructure, roads, and parks. The proposed tax increase of \$0.03 per thousand of assessed value equates to a \$ 9.28 annual increase in property tax for the average home in the Town assessed at \$309,349.

The Canandaigua community is fortunate to be made up of both the Town of Canandaigua and the City of Canandaigua which have both enjoyed stable housing markets without the volatile swings which happen in other areas.

As of the final tax roll for July 1, 2022, the Town of Canandaigua had a 1% increase in the taxable assessed value (\$13,504,754) while the City of Canandaigua had a 3% increase in the assessed value (\$27,215,075). The Town of Canandaigua must complete a revaluation by the final tax roll of July 1, 2023; due to the current equalization rate being at 86% market value as determined by the State of NY.

A stable housing market assessed at 100% market value determination allows for the cost of services through the tax levy to be effectively spread among all taxpayers of the Town of Canandaigua.

MESSAGE TO RESIDENTS/TAXPAYERS.... continued

The Town of Canandaigua has relatively done a good job in minimizing exemptions and payments in lieu of taxes which in some cases can displace the tax levy burden to others.

Tax Rates - Town of Canandaigua Taxpayers

At \$1.06 per thousand of assessed value the Town of Canandaigua is still one of the lowest town tax rates in Ontario County as shown in the budget overview at a glance. For comparison for 2022, City of Canandaigua rate was \$7.40, Town of Victor \$1.74, Town of Farmington \$1.02.

MESSAGE TO RESIDENTS/TAXPAYERS.... continued

As an example from 2022, here is an estimated tax bill for a house in the Town of Canandaigua assessed for \$ 309,349 (the average) which would pay a lot in property taxes at \$8,461; however, only \$319 (4%) of that goes to the operations of the Town of Canandaigua.

Utilizing the \$319 paid to the Town of Canandaigua by the average homeowner, the Town of Canandaigua is able to provide services such as: parks, transfer station, roadway plowing and winter operations, roadway maintenance and construction(re-construction), Town Hall services including Town Board, Town Manager/Finance, Budget Management, Town Clerk, Assessor, Development Office, Legal, Planning, Building, Code Enforcement, Economic Development, Grant Administration, Natural Resource Protection, Environmental Conservation, board services, and much more.

MESSAGE TO RESIDENTS/TAXPAYERS.... continued

For the Town of Canandaigua taxpayers, property taxes paid by our residents make up approximately 11% of the Town's general fund revenue, and 21% of the Town's highway fund revenue for 2023. The Town continues to explore every opportunity for other sources of revenue rather than taxing the residents.

It is my hope, sharing this detailed information with you

helps to explain where your tax dollars go and the investment that you are making in the Town of Canandaigua and our community.

The following pages detail the specific expenditures for the fiscal year (same as calendar year) 2023 and the planned investments, my message as the Budget Officer to the Town Supervisor and the Town Board, a look at our 2023 budget at a glance, capital improvement expenditures, fund balance reports, and more.

If I can ever be of any assistance to you or answer any questions, please do not hesitate to contact me or your Elected Officials.

Sincerely,

Douglas E. Finch, Town Manager/ Budget Officer

MESSAGE TO RESIDENTS/TAXPAYERS FIRE PROTECTION

Residents of the Town of Canandaigua should be aware another large portion of your property tax bill is a separate line-item tax for Fire Protection Services. In 2022 the Town of Canandaigua contracted with both the City of Canandaigua Fire Department and the Cheshire Fire Department to provide fire protection services.

Like most governmental operations, cost of services continues to increase and both departments are asking for substantial increases as detailed in the following budget worksheet.

The City of Canandaigua Fire Department, requested by the City Manager, and the Cheshire Fire Department have both requested sizeable increases for 2023.

The City of Canandaigua requested a 62% increase at \$1,050,000, and the Cheshire Fire Department requested a 26% increase for 2023. If these requests were granted, we would need to increase taxes 45% from \$0.78 per thousand of assessed value to \$1.14 per thousand of assessed value, resulting in a \$105.62 increase for the average home.

MESSAGE TO RESIDENTS/TAXPAYERS.... continued

While being mindful of increasing costs of services, the Budget Officer is proposing a 15% increase for both service areas something that has been well received by the Cheshire Fire Department. Knowing the Town is coming into a town wide revaluation a 45% increase in the tax rate could have detrimental impacts on some property owners. The 15% increase still generates a tax implication taking the Town's fire tax rate from \$0.78 per thousand of assessed value to \$0.90 per thousand of assessed value equaling an increase of approximately \$33.57 for the average home.

Understanding the tax implications to our residents, the Cheshire Fire Department understands a reasonable approach might be a stepped plan with the 15% proposed increase for 2023, and consider an amount of \$780,000 for 2024, and \$890,000 for 2025. It should be noted these amounts have not yet been approved by the Town Board.

The City of Canandaigua's administration has been less understanding and is demanding an amount of \$950,000 for 2023 which would result in a 31% tax increase taking the fire rate from \$0.78 to \$1.03 per thousand equating to an average increase of \$73.57 for the average Town resident. The Town Board will ultimately need to consider fire protection service for the northern portion of the Town of Canandaigua including options such as alternative service, funding level, and proposed tax rate implications. The Budget Office is recommending a straight across the board 15% increase to help protect Town residents for 2023 going into a revaluation year.

FIRE FUND: Budget Worksheets - CHART

The Fire Fund (SF) is operated as a separate fund by the Town of Canandaigua relating to items associated with fire protection in the Town of Canandaigua. The Town currently contracts with the City FD, and Cheshire FD both contracts ending 12/31/22. Prior to 2022 the Town contracted with both East Bloomfield and Bristol to provide coverage; however, the 2018 Fire Operational & Analysis Report indicated the City and Cheshire fire departments could provide the service efficiently to the Canandaigua residents.

For 2023 both Cheshire Fire Department and the City of Canandaigua Fire Departments both asked for increases above the amount indicated in the tentative budget.

	<u>City FD</u>	<u>Cheshire FD</u>	<u>Total</u>
2023 Request	\$ 1,050,000 (62% increase v. '22)	\$ 650,000 (26% increase v. '22)	\$1,700,000 (45% increase)

Budget Officer Recommendation:

2023	\$ 750,000 (15% increase v. '22)	\$590,000 (15% increase v. '22)	\$1,340,200 (15% increase)
------	-------------------------------------	------------------------------------	----------------------------

Results in a tax rate of \$ 0.90 per thousand of assessed value for 2023 up from \$ 0.78 in 2022, resulting in a tax increase of approximately \$33.57 for the average home in the Town of Canandaigua assessed at \$299,117.

MESSAGE TO THE TOWN SUPERVISOR AND TOWN BOARD

Stable would be the word I would use to describe the proposed 2023 Town of Canandaigua budget which I am presenting to you. The proposed 2023 spending plan is NOT TAX CAP COMPLIANT. The tentative budget does not have much in the way of fancy glittery items, it keeps the general tax rate relatively flat at \$1.06 per thousand of assessed value and makes an investment in our personnel and a small increase in the highway department. The entirety of the tax increase in this proposed spending plan goes to the highway department.

Since COVID-19 in 2020 and our scale back on expenditures, department heads have been doing their best to contain costs to minimize the tax impact to our residents. This year I wanted to share with you the impact to the taxpayers of the department head requests (Department Head stage) prior to my proposal to you via the Tentative Budget stage. For the General and Highway Funds the department head expenditure requests total \$19,249,995 (\$21,752,817 across all funds) and show a total revenue of \$6,250,727. The result if we were to advance these requests would mean a tax levy of \$12,999,268 which results in a **tax rate of \$9.19** per thousand of assessed value a staggering **794% tax increase**. Obviously, this is not sustainable, and not something that I am advancing to you; however, I do think it is important for you to be aware of the requests from the department heads and their needs for the future. You can view the department head requests line by line by viewing the difference between the department head stage and the tentative budget.

MESSAGE TO TOWN BOARD**continued.....**

After an 50% cut in our highway projects between 2019 – 2021 with the worldwide COVID-19 pandemic, the proposed 2023 spending plan advances a small increase and continues to build on improvements to highway; however, this at \$2.8M only gets us back to the 2015 and 2019 levels not accounting for the additional costs associated with materials and services in a modern 2023. The Town Board will need to consider alternatives to mitigate the increasing costs of highway services as we continue to advance into 2024 and 2025 still playing catch up.

Our Capital and Contractual Expenditures for Highway (D Fund):

2023 – \$2,804,376
2022 – \$2,685,347
2021 – \$1,996,002
2020 – \$1,450,000
2019 – \$2,849,050
2018 – \$3,286,550
2017 – \$2,626,038
2016 – \$2,954,777
2015 – \$2,800,669

MESSAGE TO TOWN BOARD**continued.....**

Real property taxes alone would not be able to make up the shortfall in highway funding to get back to a sustainable expenditure stream for keeping up with highway improvements. If we were to add \$1 million in highway tax, the Town's tax rate would need to skyrocket to \$1.77.

For 2023 the proposed highway fund matches nearly the same exact overall expenditure amount that we allocated in 2015, and less than we allocated in 2016. Even if we had allocated a modest 3% growth factor for highway expenditures each year since 2015, the 2023 highway fund should be allocating at least \$3,547,804. The 2023 Tentative budget comes in well short of that figure at \$2,804,376 or nearly $\frac{3}{4}$ of a million dollars less than we should be funding (\$743,427).

In an effort to address these expenditure shortfalls without huge tax increases and in an attempt to having to get to the point of eventually bonding for roadwork, I would like to propose to the Town Board the creation of a Capital Project (Capital Project Budget) for road repairs. The Town Board with the Town Manager, PPW Committee, and Highway Superintendent should identify those priority roadway improvements needed in the next 5 years and include the potential expenditures in a capital project budget. At the conclusion of each year the Town Board should consider a financial review analysis and consider an appropriation of unexpended funds to the capital project for the revenue stream for the needed repairs.

MESSAGE TO TOWN BOARD**continued.....**

General Fund expenditures are up 10% in the 2023 Tentative budget from \$4,720,500 to \$5,205,655 with nearly half of the increase of \$485,155 relating to personnel costs for 2023 generating a \$197,773 increase. An additional \$63,002 increase is a result of benefits bringing total personnel and benefits costs to 54% of the proposed increase over 2022.

Department heads requested significant increases in personnel costs for 2023 including salary increases and new employees. As part of the Tentative budget, I had to evaluate current resources, current conditions, current workload, and future and proposed work loads to make recommendations to you. Some examples of those requests relating to new employees or expanded hours to increase services include:

Town Court Clerk – expanded hours:	funded
Town Manager’s Office HR Clerk:	not funded
Town Assessor – Deputy Town Assessor:	funded
Town Clerk - new hire request:	not funded
Communications Officer (CIC):	not funded
Zoning Officer:	funded
Recreation Director:	funded
Hwy Clerk – PT:	funded
IT person – FT:	not funded
Code Enforcement Officer:	not funded
Parks – new hire position:	not funded
Parks – new hire seasonal – PT:	funded
Parks – new hire seasonal – FT (Mowing):	funded
Parks – new hire seasonal – FT (Mowing):	funded
Parks – new hire laborer – FT:	funded

Contractual expenditures make up the majority of the rest of the increase in the general fund of \$281,328 of the overall \$485,155 increase. Planned improvements in parks account for the largest portion of the increase; however, the thought process is highway can do many of the improvements and be reimbursed by parks resulting in another revenue source for highway.

MESSAGE TO TOWN BOARD

continued.....

The General Fund Tentative budget shows an investment in our people, with a \$197,773 increase in personnel expenses (12.57%) with the standard cost of living adjustment being proposed at 3% for 2023; however, additional expenditures for individuals who are taking on more roles and the addition of staff due to some staffing realignment. Some of those positions detailed later in the budget include a new Finance Clerk II in the Town Manager's Office with the transition of the existing Finance Clerk II to part-time, a new Recreation Director (or partnership with another local entity), the addition of a Zoning Officer in the Development Office, and increases in the Office of Court.

The Tentative 2023 Town of Canandaigua budget proposes a small tax rate increase from \$1.03 per thousand of assessed value (2022) to \$1.06 per thousand of assessed value. Resulting in an average \$282,934 home in the Town of Canandaigua paying \$300.06 for general/highway fund taxes up from \$290.83 in 2022 or an increase of \$9.23 per year.

The proposed tax rate increase from \$1.03 to \$1.06 per thousand of assessed value is the first tax rate increase since 2019 and generates a little less than \$60,000.00 in additional revenue for the Highway Fund.

2010 - \$ 0.00

2015 - \$ 0.94

2020 - \$ 1.03

2023 - \$ 1.06

A relatively flat tax rate for the upcoming 2023 fiscal year is vitally important as we are seeing an increase in assessed values, and we are approaching a reassessment year.

MESSAGE TO TOWN BOARD**continued.....**

The 2023 tentative budget I am presenting to you as the Budget Officer for the Town of Canandaigua increases spending \$1,316,095 (9%) over 2022 which would be tax cap compliant except for the new tax levy for the Uptown Business Improvement District.

TOTAL:	\$12,055,582	\$16,578,039	\$16,199,002	\$15,836,909	\$14,805,487

Additionally, this year I am including the capital projects in the narrative portion of your budget presentation for your reference. Prior to 2022, capital projects were not included as part of the spending plan and could account for very large percentages of the annual expenditures. For 2023, the capital projects currently underway account for 8% down from 22% of the 2022 appropriations.

Also new this year for 2023, we are including the Capital Expenditures Plan as part of the budget process to record your review and approval. A huge shout out to Kate Silverstrim Jensen who worked with each department head to record their anticipated expenditures for the fifteen years to come relative to capital appropriations. As you will notice in the Capital Plan, Kate has worked with the department heads to identify a spending strategy to keep the total dollar costs as relatively flat as possible to minimize the impact to the tax rate; however, the Town Board must identify a strategy to fund these needs. As you can see department head requests grow each year, and we keep things tight; however, it is like putting a band aid on the situation as the out year expenditures continue to outpace revenue gains. A townwide reval in 2023 is desperately needed, and would likely help to mitigate some of these problems for the time being.

HIGHWAY FUND: Budget Worksheets - CHARTS

The Highway Fund (D) is operated as a separate fund by the Town of Canandaigua relating to items associated with roadways including repair, plowing, improvements, and personnel and benefits costs associated with Highway Employees.

The 2023 Highway Fund (D) budget is \$ 4,360,645 with a tax rate of \$1.06:

Historical Expenditure Data:

BID: Uptown Business Improvement District

The Uptown BID (Business Improvement District) (SM900) is new for 2023 after being created by local law and action of the Town Board in late 2021. The Uptown BID was created to advance the purpose being:

UPTOWN BID PURPOSE

The purpose of the Uptown BID is to legally establish a contiguous geographic area within which property and business owners make a financial investment through tax dollars to initiate, manage, and finance supplemental services for the maintenance, construction, landscaping, assistance or advancement of economic development, the Uptown area,

promotion of diversity, inclusiveness, a vibrant mixed-use destination and the Uptown BID. The Uptown BID is established to improve business for merchants, and the experience for visitors and residents of Canandaigua and to the Uptown area through the additional promotion of but not limited to such things as pedestrian traffic, multi-modal transportation, cultural and arts, events, information, marketing, supporting, and raising awareness of Canandaigua's cultural, economic, tourism, and commercial opportunities, while honoring the unique and diverse resources of the community.

Expenditures for the BID for 2023 are proposed at \$208,900 levying a tax levy of \$208,800 against an assessed value of \$55,126,800 resulting in a tax rate of \$3.79 per thousand of assessed value new for the 2023 budget. As the Uptown area grows and the assessed value significantly increases in the coming years the tax rate should be able to be held steady or drop with new assessed value coming online.

Expenditures for the proposed 2023 year including acquisition of special equipment to plow all sidewalks in Uptown during the winter to enable walkability year round due to many land owners not keeping sidewalks clear, the bonding of \$2.5 million part way through the year to acquire and install all new street lights on State Route 332, add banners and hanging baskets to the street lights, and then reimburse the parks department for expenditures relating to beautification of the area with mowing of the grass, plants, and placemaking.

During 2022, Town of Canandaigua parks once again saw tremendous usage in part as a result of the COVID-19 pandemic, and in part due to our continued efforts to improve opportunities for the public to enjoy.

Completing upgrades to Blue Heron Park in 2021, during 2022 our teams lead by our Parks

Coordinator Lindsay Frarey working closely with Jim Fletcher and our Highway Department focused on the opening of Motion Junction as the largest capital investment for 2022, the construction of a new pirate ship at Richard P. Outhouse Memorial Park, and roof replacements at Onanda Park.

For 2023 the primary focus of expenditures in the Park System is at Onanda Park with improvements both lakeside and in the uplands. After multiple years of focus at Motion Junction, with the completion of the pavilion scheduled for construction 2022/2023, the parks department focus will shift to improvements at Onanda Park and some trail improvements at Outhouse Park. The full detailed list is included on the next page. We are fortunate to have an amazing park system that only gets better year after year and sees a continued increase in usage with full usage at Onanda Park almost all summer long with all facilities being rented for the second year in a row.

For 2023 improvements include items identified in the Parks and Recreation Master Plan, along with completion of projects in progress:

- Onanda Park – Uplands upgrades (new upland plan);
- Onanda Park – Uplands lights repair/replace;
- Onanda Park – Crouch Hall HVAC;
- Onanda Park – King Hall HVAC;
- Onanda Park – Babcock septic system replacement;
- Onanda Park – fishing dock;
- Onanda Park – new picnic tables (Babcock);
- Onanda Park – new cabin uplands;
- Onanda Park – roof replacement metal green (Wapoos);
- Onanda Park – roof replacement metal green (Wequash);
- Onanda Park – Uplands tent sites (a few);
- Outhouse Park – new ADA friendly picnic tables;
- Outhouse Park – new adirondack chairs (Pirate Ship Playground);
- Outhouse Park – Outhouse West (Phase 3) (Reso # 2022-191);
- SchoolHouse (Butler) – HVAC for building useage;
- SchoolHouse (Butler) – Interpretive sign;
- Pierce Park – pavilion #2 repairs and picnic table replacements;

- McJannet Park – trail to Vista Project (FL Land Trust);
- McJannet Park – expansion to gully (new parcel);
- Old Brookside –playground mulch;
- Blue Heron Park – parking lot stripe;
- Auburn Trail – Brickyard Road easements;

Park System:

- All Parks – new mower and staff, all mowing done in house;
- All Parks – additional staffing (seasonal and year round);
- All Parks – work on new kiosks;
- All Parks – State grant local match (5 year plan);
- All Parks – new parks truck with plow increased staffing;
- All Parks – snow blowing equipment (paths, sidewalks);
- All Parks & Uptown BID – parks staffing and mowing, plus additional revenue coming back to parks for Uptown BID maintenance;
- All Parks – additional revenue to Highway after chargeback for some of the larger projects in parks such as septic system, etc.;

TAX CAP:

NON-COMPLIANT

For 2023, the tentative budget is NOT Tax Cap Compliant due to the creation of the Uptown Business Improvement District. The Town of Canandaigua's proposed 2023 budget makes additional investments in infrastructure, and the proposed tax rate remains relatively flat with a small increase of \$ 0.03 tax rate increase. The 2023 tax levy limit per the formula created by the NYS Comptroller's Office sets the tax levy compliance limit at \$3,735,785. The 2023 budget sets the tax levy at \$ 3,897,185 coming in over the tax cap allowance by \$161,400.

On June 13, 2022 the Town Board of the Town of Canandaigua approved Resolution No.2022 – 176 which set a public hearing on a local law to override the tax levy limit for July 18, 2022. On July 18, 2022, the Town Board of the Town of Canandaigua held a public hearing on the proposed local law to override the tax cap. During the same meeting on July 18, 2022, the Town Board of the Town of Canandaigua approved Resolution No.2022-189 which adopted a local law to override the tax levy limit (tax cap) (Local Law No.5 of 2022).

FUND BALANCE:**2023**

In 2022, I have added a new chart to the tentative budget to show you our Fund Balance trends for our major funds at end of year. For 2023 you can see we increased the General Fund FB; however, we are appropriating more to balance the next year's budget offsetting the tax levy.

	General Fund	Highway Fund	Water Districts
2011	\$1,435,274	\$1,635,989	\$1,001,136
2012	\$2,656,978	\$1,743,807	\$1,067,162
2013	\$1,808,075	\$1,300,573	\$1,135,928
2014	\$2,265,893	\$933,229	\$1,145,667
2015	\$3,022,391	\$1,001,589	\$1,290,524
2016	\$3,309,270	\$855,287	\$1,633,478
2017	\$2,840,201	\$819,142	\$1,868,678
2018	\$1,938,778	\$655,927	\$1,443,227
2019	\$2,003,367	\$878,429	\$2,259,186
2020	\$2,226,114	\$1,471,760	\$1,697,014
2021	\$2,769,858	\$1,276,983	\$1,123,715
2022	\$3,875,739	\$1,148,899	\$1,117,401

In 2016, the Town of Canandaigua was audited by the NYS Comptroller's Office and findings relative to fund balance included:

Corrective Action Plan / Comptroller Recommendations:

1. Item # 1: *The Town Board should amend and adopt policies and procedures to govern budget development and monitoring practices and explanations for the level of unrestricted funds to maintain.*
2. Item # 2: *The Town Board should adopt budgets with realistic estimates of revenues, expenditures and the amount of fund balance to be used to fund operations.*
3. Item # 3: *The Town Board should implement plans to address and properly utilize excess fund balance.*
4. Item # 4: *The Town Board should develop and adopt comprehensive multiyear financial and capital plans and plan for reserves. These plans should be monitored and updated on an ongoing basis.*
5. Item # 5: *The Supervisor should prepare fund balance and monthly cash flow projections and provide them to the Board to assist in making informed financial decisions.*

While we have implemented action steps relative to each of these procedures, the ongoing review and monitoring of fund balance is critical. In an attempt to help you with that review I have included this section pertaining to fund balance as part of the Tentative Budget. I would also note, the 2022 and 2023 Tentative Budget includes the use of fund balance in each fund:

2022 APPROPRIATION:

General Fund: \$ 834,320

Hwy Fund: \$ 631,189

Water Fund: \$ 416,749

2023 APPROPRIATION:

\$ 674,525

\$ 367,547

\$ 373,850

		Description								
		Had held discussions with DPW director that using the 2020 data from the 22-23 snow plow agreement will not work as the price of fuel, salt, materials ect. have all increased. Will use the revenue amount from last year. We should have an answer by September of 2022 on the correct amount.								
		We should receive a 1000 to 1200 dollar per mile increase for snow plowing county roads.								
		We will leave the 143,970 for now until we get an official answer from OC

Increase Based on Inflation

The following are the steps to calculate a wage increase based on inflation.

Step #1: Get the 12-month rate of inflation from the Consumer Price Index (CPI). As of this writing, the 12-month rate of inflation is 2%.

Step #2: Convert the percentage to a decimal by dividing the rate by 100 ($2\% = 2 \div 100 = 0.02$).

Step #3: Add one to the result from Step #2 ($1 + 0.02 = 1.02$).

Step #4: Multiply your current wage or salary by the result from Step #3, which will give you your inflation-adjusted salary.

Step #5: Subtract your current wage or salary from the result in

Re: 2023 Tax Levy Process

A handwritten signature in black ink, appearing to be "Donna LaPlant", written over the "Fr:" line.

I hope that you are having a wonderful summer! Budget season is here again already and I'm sure everyone has been working on it for months! I have compiled some information in an effort to assist you with budget preparations, tax cap calculations, and ultimately a smooth tax levy.

Included in this packet are:

- Exemption Impact Report – Required by RPTL §495(2) *"Notice of this report shall be included in any notice of the preparation of the budget otherwise required by law. The report shall be posted on any bulletin board maintained by the budgeting authority for public notices and on any website maintained by the budgeting authority. This report shall be annexed to any tentative or preliminary budget and shall become part of the final budget."*
- PILOT estimates – Estimates are based on last year's tax rate – please review carefully and recalculate as necessary – shelter rent amounts are a guess at best
- Tax Base Growth Factor for towns and cities
- Tax Base Growth Factor for special districts
- Allowable Levy Growth Factor
- Budget/Tax Levy Checklist
- Special Assessment District memo

Preliminary budgets should be filed with the Town Clerk by September 30th. We are willing to review tentative budgets, including special assessment rolls and independent fire district budgets, if they are emailed to donna.laplant@ontariocountyny.gov by October 10th. If there are any addition errors, discrepancies or other issues, they can be resolved prior to final adoption and levy.

If you have Fire Districts in your town, their adopted budget should be delivered to you by November 7th per Town Law §105, to be annexed and adopted with the town budget.

While Town Law §115 allows for delivery of adopted budgets to the County as late as December 5th, we appreciate receiving the budgets as soon as possible after final adoption.

As always we would like to avoid a situation where we're rushed to meet deadlines or delay delivery to the tax collectors, who need time to prepare the tax bills for the January 1st mailing. Thank you for your assistance with this.

Re: Special Assessment Districts

The following information outlines some of the steps as a special assessment district is created through the actual levy process. This does not cover the actual creation of the district. **Consider any special district that is not ad valorem to be a special assessment, and in need of a special assessment roll.**

- Upon creation, the special district will be assigned a code for tax purposes, and drawn on the tax map, where appropriate.
- The codes will be added to the RPS library, and each included parcel will be updated on the RPS file. Obviously, the Town Board will need to work closely with the Assessor, so that parcels are coded correctly, and the benefit is appropriate. Some of the calculations in the special assessment districts are very complex, and will require annual updating as parcels change use or size due to splits or construction/demolition.
- Each property owner should receive individual notice of the special assessment roll public hearing. The notice must advise that the special assessment roll has been completed, and specify the time and place where the town board will meet to hear any objections to the roll. Town Law 239 does not require that the taxpayer be given notice of their individual special assessment, so a form letter or post card should suffice.
- A special assessment roll must be filed with the Town Clerk, who will be responsible for the publication of notice of its filing and the dates and times that the Town Board will hear complaints. This public hearing should probably come before or at least coincide with the Budget public hearing. The Special Assessment Roll may be produced through the custom reports module of RPS or another software, such as EXCEL, or a combination.
- Any corrections or adjustments should be updated in RPS for levy purposes. The special assessment roll should be adopted at the same time as the budget.
- The responsibility for the determination of special assessments lies with the Town Board, and property owner's avenue for review lies with them, not the BAR or the assessor.
- There are provisions for corrections to special assessment charges after they have been extended, which would remain the responsibility of the Real Property Tax Director.
- Budgets should reflect the exact amount to be raised that is indicated on the special assessment roll.
- All special assessments should be finalized on the RPS file by November 1st, to accommodate tax levy procedures.

Changes can be made to special districts and special assessments until the special assessment roll is adopted.

Information required on the Special Assessment Roll:

- Property Owner
- Property Description, i.e. property address and tax map number
- The amount of benefit, i.e. number of units
- Basis of the unit, i.e. if the units are based on front footage, the front footage should be included on the special assessment roll....if the units are based on property use, residential vs. commercial vs. vacant, then the property class code should be included...
- The dollar amount assessed against each parcel

I would be happy to assist with creating the special assessment rolls, if anyone needs help.
