Subject: Re: Planning Review Committee Meeting Minutes from July 18th - Burgan

Doug, Sarah and Michelle,

I was thinking about the upcoming ZBA meeting for the Burgan garage project. Part of the argument for having a garage is that Mr. Burgan has a couple of collector cars and a motorcycle that he wants to securely protect from the elements. He works for the US Coast Guard and is gone for long periods of time. I would like the board to know that but I don't want to announce it at a public meeting or have it in the minutes. If I was away for weeks at a time I wouldn't want the world to know. I doubt there are people that troll the meeting minutes for such things, but I'd rather not bring it up at the meeting.

Is there a way you can let the ZBA know this about the owner without it showing up in the minutes? I think it's important for them to know that he'd rather have his cars parked in a locked garage on his property and not outside in the driveway for long periods of time.

Thanks,
Bill
