

Best Management Practices Series #3
The Roles and Responsibilities of Our Elected and Appointed Boards

During this session, Town Attorney Derek Brocklebank and Planning and Zoning Attorney Chris Nadler will present an overview of the roles and responsibilities of our elected and appointed boards; including our Town Board, Planning Board, Zoning Board of Appeals and the Environmental Conservation Board. At the conclusion of this presentation participants should have a solid understanding of what's expected of each board, the source of each boards authority, individual board member roles and responsibilities, the limits of board authority, how decisions are made, and the role of the development office as it relates to each board. During this presentation participants will also learn how our boards work together and hear about the common threads that link us together; such as the comprehensive planning documents and zoning regulations.

TRAINING CREDIT:

Board Members attending this training will receive 1 hour of training credit.

Agenda to follow.
