Subject: Plan Review Comments

This office is in receipt of plans for review and comment for the Town of Canandaigua Planning Board. After review the submitted plans, this office offers the following comments:

Richard & Laurie Krenzer - 5700 Rossier Road - Application No. CPN 10-014

The plan states that the septic system will be a Shallow Trench system to be reviewed and approved by the Canandaigua Lake Watershed Inspector. This office will need the Application Form filled out along with the Application / Review fee, and a full set of detail plans complete with details and soil investigation data (deep hole & percolation tests) to verify a Shallow Trench system is applicable.

Robert V. Didsbury – Co. Rd. 16 - Application No. CPN 19-019

This office is in receipt of an Application, Review fee and complete set of plans, details and soil investigation data (deep hole and percolation tests) for a Shallow Trench wastewater treatment (septic) system. This office will be reviewing these documents for compliance with New York State Department of Health (NYSDOH) standards for eventual approval.

George V. Barden, CPESC
