

- b. Kendaia loam, 0 to 3 percent slopes 12.9% 3.110 acres
 - c. Lakemont silty clay loam, 0 to 3 percent slopes 1.1% 0.260 acres
 - d. Ovid silt loam, 0 to 3 percent slopes 42.4% 10.260 acres
 - e. Ovid silt loam, 3 to 8 percent slopes 32.3% 7.830 acres
6. Property DID receive a rating from Ag Enhancement Plan. The parcel was rated low for soils, low for natural resources, moderate for development pressure, and moderate for proximity to protected land.
 7. Properties DID receive a rating from the Open Space Master Plan. **70.00-1-2.111** ranked low overall (570 out of 16,000 possible). **70.06-1-68.100** ranked low/moderate (3066 out of 16000)
 8. Property IS NOT in the Padelford Brook Greenway
 9. Property IS NOT in the Strategic Farmland Protection Area
 10. Property IS NOT in the Strategic Forest Protection Area

Comments:

1. This part of the Town is a designated growth area and as such, the committee feels that this is a good use of the land. It would result in a loss of farmland, but it is isolated and will become more difficult to farm as more development enters the area, which seems inevitable considering the existence of water, sewer, and appropriate zoning.

MOTION: *"The Agriculture Advisory Committee recommends the Town of Canandaigua Planning Board find the proposed project does technically cause a loss of agricultural lands for the Town of Canandaigua, however the committee believes the proposed use to be appropriate for the area of the Town and references the Uptown Study. The Agricultural Advisory Committee supports the approval of this project."*

CPN-20-011 Marks Engineering representing BTY Holdings, owner of property at 2970 County Road 10, TM#84.00-1-17.100 are requesting single stage site plan approval for construction of a self-storage warehouse facility with twelve 4,500 sf buildings and plans to include outside storage of boats and boat accessories on the property. (Pending Approval of area variance 3/17/2020)

Review was based on:

- Application materials on file as of 3/5/20
- Ontario County On-Cor maps
- Maps and Parcel Ranking data in the 2016 Agricultural Enhancement Plan
- Maps and Parcel Ranking data in the 2018 Open Space, Conservation, and Scenic Views Master Plan
- Town policies and maps incorporated in Comprehensive Plan and Land Use Planning documents adopted by Town Board.

Findings:

1. Property is NOT located within Ontario County Ag District 1
2. Property is NOT currently farmed.
3. Property consists of the following soil types:
 - a. Collamer silt loam, 0 to 3 percent slopes 56.2%, 16.600 acres
 - b. Lakemont silty clay loam, 0 to 3 percent slopes 4.1%, 1.210 acres
 - c. Odessa silt loam, 0 to 3 percent slopes 39.7%, 11.7104 acres
4. Parcel DID NOT receive a rating from Ag Enhancement Plan.
5. Parcel DID receive a rating from the Open Space Master Plan. 1209 – low score
6. Property is NOT in the Padelford Brook Greenway
7. Property is NOT in the Strategic Farmland Protection Area
8. Property IS NOT in the Strategic Forest Protection Area

Comments:

1. This is not farmland and has not been for years. With the existing solar use on this property, a farmer wouldn't likely use this land for farming anyway. The committee has no opinion on the mini storage.

MOTION: *"The Agriculture Advisory Committee recommends the Town of Canandaigua Planning Board find the proposed project **does not** cause a loss of agricultural lands for the Town of Canandaigua. The Agricultural Advisory Committee wishes the applicant, the Zoning Board and the Planning Board to consider the impact this project would have on farming prior to the approval or disapproval of this project."*
