**Subject:** Sutter Creek Outdoor Boat Storage

Bill and James,

I am emailing you to remind you that we required some information as put forth in 220-43 regarding outdoor boat storage. Please see that section here ( <http://ecode360.com/27645903> ). The Planning Board would like to fully consider your application but needs this information in order to do so. Thanks.

**Eric A. Cooper**
