

Comments for the planning and zoning board for November 2021

Application # CPN-21-087 Herman Residence

1. Water is maintained by the city of Canandaigua.
2. If the house is demo in the winter months there is no parking on County Road 16 from November 1 to April 1. This includes storing materials and equipment are not allowed on the road.

Application # CPN-21-084 DeHollander Design

1. Property owner to pay for water service fees before water main is tapped.
2. It appears that where the water service enters the property there is less than 10 feet of separation. Please detail this.
3. The town of Canandaigua notes for water services is not on the plans. Add to the plans.
4. Do not see the location of the natural gas service on the plans.

Application # CPN-21-082 Smith Property

1. Will water service continue to be the same size or is there a change?
2. If there are changes to the water service the plans should have the detail on them.

Application # CPN-21-080 Parson Property

1. The water main is privately owned. Town will work with property owner when it is time to tap the water main.
2. Property owner to pay for water fee before tapping of the water main.
