I will do it, but just keep in mind what currently exists is not these 62 parcels?

Rocco,

Here's a list of everything that is still needed for the (1) DAGR and (2) Barbara Michaels applications:

(1) CPN-19-081: DAGR - 0000 County Road 16

-18 copies of the updated sketch plan (see previous email from today). I talked with Eric and it looks like we will need you to do this. No matter what the future plans are, we need the sketch plan to represent what currently exists (I apologize for the waste of paper).
-Ag. Data Statement (attached).

(2) CPN-19-092: Barbara Michaels - 3615 County Road 16

-We require **ALL SIGNATURES** to be completed on the applications (ZBA, Site Plan, Soil & Erosion, Building Permit).
-We need you to fill out a New Structure Permit (attached).
-We need you to submit an updated SEQF form (attached).

Please get this information in to us as soon as possible. Let me know if you have any questions,
