Town of Canandaigua Development Office,

We've completed our review of the drawing received by this office on September 24, 2019, for the above referenced project and offer the following comments:

1. Applicant is required to obtain a highway work permit for any proposed work within a County highway right-of-way and shall pay all necessary fees & comply with all permit conditions and restrictions. Highway Work Permit forms can be found on Ontario County website at <http://www.co.ontario.ny.us/index.aspx?nid=830>.

In addition, Applicant's contractors will also be required to provide proof of insurance per Ontario County insurance schedule. Applicant must contact our office for more detailed information on insurance requirements.

2. Applicant's engineer must provide an engineering scale plan & profile of private utility conduits, from right-of-way to right-of-way, showing minimum depth of cover of 5-feet. Applicant's engineer must show and label locations of launching and receiving pits for private utility conduits on the drawings.
3. Applicant will need to enter into an agreement for installation of private utility conduits in County Road 16 right-of-way. Applicant must contact our office for more detailed information on private utility conduit agreement.

Please forward these comments to the applicant and their design professionals.

If you have any questions or concerns, please contact me directly at (585) 393-2999.

Regards,

Timothy G. McElligott, P.E.
