**RE: STOP WORK ORDER**  
**TAX MAP NO. 112.00-1-72.000**  
**3814 COUNTY ROAD 16**

Mr. Casey,

Please be advised that the Town has received your letter of April 2<sup>nd</sup>, 2020.

If construction begins at the site it will be in violation of the Stop Work Order and the Governor's Executive Order 202.11. Non-essential construction work is currently a violation of the Uniform Code. You will be immediately issued appearance tickets. Fine for violations of the Executive Order are \$10,000 per occurrence.

The Executive Order places a hold on the remedies associated with the Stop Work Order. When the Governor's Executive Order is rescinded, construction can begin to remedy the violations.

In response to your request for specific violation notices, please see attached.

As during our phone conversation on Thursday March 26<sup>th</sup> at 3:43pm you threatened litigation against the Town of Canandaigua, all future communications in this regard will be directed through legal counsel (Christian Nadler Esq.).

Sincerely,

Chris Jensen PE MCP
