Hi Brian and Mary,

Michael and I are fine with you building a 12'x17' shed on the proposed area of your property.

Hi Kathy and Steve.

As we discussed, Mary and I are looking to build a 12' by 17' shed on top of the hill in front of the stone wall, that matches the look of our lake house.

Please respond to this email that you're ok with our proposal, so we can submit to the Zoning Board by July 1st.

Thanks again.

Best regards
