RE: **Ontario County DPW comments for 4015 County Road 16 application**

Dear Mr Havens,

We have received the following comment from Michelle Rowlinson with the Town of Canandaigua via email dated November 3, 2020 and have addressed it as follows:

Application#- CPN-20-072:

Permit required for connection. Current drawings look in order but changes will require drawings to be resubmitted to this office. Also, may require a County Highway ROW work permit.

Noted.

This should conclude our project for a favorable review. Please feel free to contact our office if you have any questions.

Respectfully yours,
MEAGHER ENGINEERING
