NATURAL RESOURCE PERMIT CONDITIONS - Apply to the Following Permits: EXCAVATION & FILL IN NAVIGABLE WATERS

1. Conformance With Plans All activities authorized by this permit must be in strict conformance with the approved plans submitted by the applicant or applicant's agent as part of the permit application. Such approved plans were prepared by Harris Design Studio with submittal date 1/18/2018 and received by NYSDEC on July 19, 2016 (exerpted as Attachments A & B).

2. Notice of Intent to Commence Work The permittee shall submit a Notice of Intent to Commence Work to 48 at least Bureau of Ecosystem Health hours in advance of the time of commencement and shall also notify them promptly in writing of the completion of work.

3. Post Permit Sign The permit sign enclosed with this permit shall be posted in a conspicuous location on the worksite and adequately protected from the weather.

4. Prior Approval of Changes If the Permittee desires to make any changes in construction techniques, species to be planted, the site plan, any mitigation plan, scheduling or staging of construction, or any other aspect of this project, the Permittee shall submit a written request to the Regional Permit Administrator to make such proposed changes and shall not make such changes unless authorized in writing by the Department.
