REGARDING: Special Use Permit for 4443 County Rd. 16

RECEIVED	TOWN OF CANANDAIGUA DEVELOPMENT OFFICE	FOR REVIEW
	SEP 22 2016	

We the following understand that Christine Farren is seeking a Special Use Permit for a designation as a "Tourist Home" at 4443 County Rd. 16 in the Town of Canandaigua.

Her intent in requesting this designation for a not for profit, 3 bed tourist home at this location is to provide caregivers with a quiet spot for brief breaks from caregiving for rest and recharge.

The role of caregiving and its demands place caregivers at risk for psychological and physical problems. Nearly all caregivers are in need of a significant amount of respite and rest. This guest house will benefit our community as a whole, caregivers and those for whom they care.

We request that you approve this special use permit. Thank you.
