I am writing in support of the "Tourist Home" Special Use Permit application designation for 4443 West Lake Rd. that Christine Farren has requested. I am not only personally familiar with that parcel and the tranquil setting it provides for reflection and relaxation, but also in my professional, pastoral capacity as someone who works with caregivers and those in crisis, I can attest to the need for such a facility. I hope that the Board will look upon this application favorably. 4443 West Lake Road is the very parcel that makes Canandaigua the Chosen Spot.
