Canandaigua, NY 14424

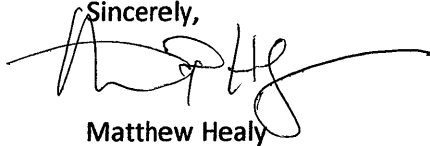

August 18, 2021

Town of Canandaigua Planning Review Committee:

I am writing to support my neighbors, Ted and Helen Kordela's request for a variance to the 25 foot set back requirement for structures. I am aware of their plans to build an addition to their home that faces my property and will when finished be approximately 17 feet from the property line. I have no objections to this project.

Please contact me if you have additional questions.

Sincerely,

Matthew Healy

Kristin Healy
