

### **Statement of Compliance with Shoreline Development Guidelines**

The building addition to be constructed at 5007 & 5009 County Road 16 will comply with the Shoreline Development Guidelines. The objective of the applicant is to maintain the natural beauty of their hillside and lakefront.

The proposed home is consistent with the character of the neighborhood and will maintain existing setbacks from the lake. Trees along the shoreline will be preserved and the views of the shoreline from the lake will not be negatively impacted by the development.

Appropriate Soil Erosion and Sedimentation Control measures will be taken during the construction period to protect the shoreline and lake.
