Town of Canandaigua
Zoning Board if Appeals

Re: CPN-19-041, Diane Nelson, owner of property at 3206 Daisy Way, Lot 47 Old Brookside
TM #83.10-1-47.0000

Requesting a variance for placement of a storage shed five feet from the right-side property line
when 10 feet is the current "setback"

As the current owners of 3204 Daisy Way, Lot 48 Old Brookside, we are the only property owners
directly affected by the proposed placement of a shed. We have no objection to placing the shed 5 feet
from our shared side property line. The corner of our home (in fact, the rear of our garage) nearest to
the proposed shed placement is over thirty feet from this joint property line.

Please grant the variance as requested. Thank you.
