Rob,

Yes – I thought the lot lines needed to be adjusted on both the north and south sides.

We are into the town right now on our project. Thanks for the heads up on the sewer hook up.

We will be on property for Memorial Day.

Talk soon.

Dan

Hi Dan,

Moving forward, I have to get the lot line adjusted a few feet, our lawyer is drawing up the purchase agreement, I will keep you posted, How did your application with the town go?? You should have your builder/architect contact the Ontario County Sewer dept to approve the sewer hook up. My suggestion is to make sure that they know you are connecting to your guest house that has a sewer connection. Let me know if you need help with this, they can be hard to deal with at times.

I will keep you updated,

Thanks, Rob

Diane and Dan,

I wanted to bring you up to date on the DL property. I have all of our ownership documents at our lawyers now. He is going over all and will prepare a land sale purchase offer. I will keep you up dated on the process. I hope to have everything ready in a few weeks. If you have any questions please let me know.

Dan, how are you coming on the new house plans?

Thanks, Rob
