Happy almost lake season! I hope everyone is having a good winter and stayed safe. My brother (Dan) and his wife (Debbie) asked me to forward you the email below. They are looking to join us on our "spot of heaven" on Davidson Landing. Feel free to reach out to them if you have any questions (they are CC:ed on this email).

See you soon! Diane

Davidson Landing Neighbors,

Nice to reach out to you all. Debbie and I wanted to let you know that we plan to build a house, connected to our existing guest house, at 4495 Davidson Landing. The property currently has a tennis court and gazebo on it and sits between my sisters house to the south and the Haggertys to the north. We are tentatively planning to start building after Labor Day this year.

We have been coming to the family house on Davidson Landing for over 30 years and are looking forward to having a place of our own on the street. Please let us know if you have any questions. Look forward to seeing you on the lake this summer.

Dan and Debbie Gill
