**Subject:** Dimensions Needed on Vestal Site Plan (3312 Fallbrook Park)

Hi all,

There are a few dimensions that need to be added to the site plan in order to complete a determination;

- The right (north) side setback for the **existing** patio on the existing conditions sheet.
- The right (north) side setback for the **proposed hot tub/spa** on the proposed conditions sheet.

Please add these setbacks to the plans and send us a pdf **as soon as possible**.
