Re: - Hearing - 5-19-20
3312 Fallbrook PK
Canandaigua

I reside at 3316 Fallbrook Park. I am interested in seeing the plans for the above. I am also concerned with the timing of the construction. I understand the owners want to begin this process during the summer months. There has been an understanding with owners on the street that construction and or renovations do not occur during the summer months when traffic is heavy.

Thank you
