

April 24<sup>th</sup>, 2016

To whom it may concern,

I, Jason Dekouski and Shanon Brink are in favor of Jeremy Fields idea to expand Finger Lakes Boat Repair 1 and connect the two buildings together. In our opinion it would lessen the amount of boats kept outside for repairs. It would be aesthetically pleasing to ourselves as well as the customers and people passing by. We support Jeremy in his endeavors to make Finger Lakes Boat Repair 1 a success.

Sincerely,

A handwritten signature in cursive script, reading "Shanon Brink". Below the name is a large, stylized, circular flourish or scribble.
