Subject: RE: Application Materials Needed for Gray (4971 Island Beach Drive)

Hi all,

Just wanted to recap what is still needed in terms of application materials;

- A cover letter detailing the changes and whether architecture has changed and why it still meets shoreline guidelines
- A New Structure Application w/ signatures filled out.

Please submit this (in addition to what was requested in the PRC minutes) to us by this Friday, April 17th. Thank you.

I reviewed the application materials submitted and the following materials are still needed;

- A cover letter detailing the changes and whether architecture has changed and why it still meets shoreline guidelines
- A New Structure Application w/ signatures filled out (only needed if plans have changed).

Please submit these materials as soon as you can. Thank you,
