Business Improvement District Uptown BID Plan

UPTOWN
CANANDAIGUA

DISTRICT PLAN

The Town of Canandaigua Town Board finds the creation of the Uptown Business Improvement District (Uptown BID) is in the public interest, that all notice, mailing and hearing requirements have been complied with, that all properties within the district will benefit from the establishment and that all property benefitted is included in the boundaries of the district. As required by General Municipal Law, Chapter 24, Article 19-A, Section 980 this document shall serve as the district plan.

UPTOWN BID PURPOSE

The purpose of the Uptown BID is to legally establish a contiguous geographic area within which property and business owners make a financial investment through tax dollars to initiate, manage, and finance supplemental services for the maintenance, construction, landscaping, assistance or advancement of economic development, the Uptown area, promotion of diversity, inclusiveness, a vibrant mixed-use destination, and the Uptown BID. The Uptown BID is established to improve business for merchants, and the experience for visitors and residents of Canandaigua and to the Uptown area through the additional promotion of but not limited to such things as pedestrian traffic, multi-modal transportation, cultural and arts, events, information, marketing, supporting, and raising awareness of Canandaigua's cultural, economic, tourism, and commercial opportunities, while honoring the unique and diverse resources of the community.

UPTOWN BID HISTORICAL PLANNING

The 2003 Town of Canandaigua Comprehensive Plan first identified an opportunity in the area just to the north of the City of Canandaigua in the Town of Canandaigua, as a mixed-use incentive growth node that very closely aligns with the 2021 Uptown area of the Town of Canandaigua.

In 2011, the Town of Canandaigua's 2011 Comprehensive Plan Update

affirmed the desire for a mixed-use area in the same corridor labeling a mixed-use overlay district to promote nodal development as a mix of land uses.

In 2015, the Town Board of the Town of Canandaigua adopted the zoning code regulations to enable the mixed-use overlay district as identified in both the 2003, and 2011 Comprehensive Plan while also accepting a report from the Finger Lakes Institute on Uptown called “Multimodal Transportation and Place-Making in Uptown Canandaigua” and authorizing the kickoff of a mixed use overlay team to work on the 2011 Comprehensive Plan goal 13, step 3, “review and

consider code updates to the Mixed Use Overlay districts to maximize opportunities for commercial development.” The project team kicked off and really began to come up with detailed opportunities by 2016.

In 2016, the project team with the support of the Town Board of the Town of Canandaigua began to explore the detailed build out of the Uptown Canandaigua area by applying for and then receiving (March 2017) an \$80,000 Unified Planning Work Plan Grant from the Genesee Transportation Council to further conduct an analysis and work with the stakeholders in the area of Uptown.

In July 2017, the Town released a Request for Proposals and in November 2017 the Town of Canandaigua awarded a contract to Bergmann Associates (Resolution No.2017-394). During 2018 the Town of Canandaigua held a series of public workshops throughout the community, and public hearings into 2019 before recommending the plan to the Town Board.

The Uptown Canandaigua Mixed-Use and Transportation Corridor Feasibility Study was adopted by the Town Board of the Town of Canandaigua on March 11, 2019 (Resolution No.2019-082).

The study is both a multi-modal transportation plan and couples with it an action-oriented economic development plan to transform the

approximately 1,280-acre Uptown Canandaigua Corridor.

The Town of Canandaigua adopted Uptown Canandaigua Mixed-Use, and Transportation Corridor Feasibility Study called for a priority analysis of policy and regulatory amendments citing, *“amendments to Uptown Canandaigua’s regulatory framework are needed in order to facilitate development consistent with the Future Land Use Vision”* (Uptown Study, pp134).

In the summer of 2019, the Town of Canandaigua released a Request for Proposals to help the Town conduct the analysis and recommend amendments as identified in the Uptown Study. On October 19, 2019, the Town Board of the Town of Canandaigua hired Bergman Associates (Resolution No.2019-199) to conduct the regulatory revisions analysis, hold public engagement sessions, and make recommendations for the addition of Form Based Code based on Bergmann’s proposal.

Throughout the remainder of 2019, into 2020 (some of which was remote due to COVID), and into 2021 Bergmann continued to work with the project team, the Town of Canandaigua, and held public workshops on the proposed Form Based Code (FBC) for the Uptown area of the Town of Canandaigua. In June 2021 the final draft of FBC was presented to the public by the project team, and the Ordinance Committee of the Town of Canandaigua began to review the proposal for adoption.

Following public hearings in July, August, and September 2021, on September 20, 2021, the Town Board of the Town of Canandaigua adopted a series of resolutions (Resolution No.2021-172, Resolution No.2021-214, Resolution No.2021-220, and Resolution No.2021-221) and local laws creating form-based code, rezoning certain parcels in Uptown to form based code, mixed-use subarea, and adding form-based code to the Town Code.
