Good morning Eric –

I'm not exactly sure what the project is currently called, but at the time (2009) it was merely called Fox Ridge 5B. The easements in question are shown on the attached. They were filed at Liber 1225 Page 162 in 2009 and subsequently terminated at Liber 1323 Page 558 in 2014.

I hope this helps – please let me know if you have any other questions.

Jack,

Rocco forwarded me the email below. I just wanted to be clear that the project in reference was the completion of Fox Ridge 5B-3 and that the previously required sewer easement will not be required? Thanks.

Good afternoon Rocco –

In response to your inquiry, the District will not require providing sanitary sewer service to the adjoining parcels along Middle Cheshire Road.
