**Subject:** Fox Ridge Section 5 - SWPPP Inspection Reports

We visited the site yesterday.

There are erosion control items in need of repair/replacement. Multiple site are missing erosion control items. The last inspection in the folder was from 6/9/2017.

Please provide a new inspection report by 1/12/2021, and address all the issue in the report by 1/15/2021. Which will include the lack of materials within the SWPPP mailbox.

Thanks,  
Chris

Good afternoon,

The last inspection report the Town received on Fox Ridge Section 5 was on 5/18/2020

Please provide all missing inspection reports since we issued permits for new builds on 5/22/2020.

Thanks,  
Chris
