Subject: Variances

Dear Alan:

I have reviewed the information you provided about the plans for your new home on Lakeview Lane. I agree fully with Toby Reh's assessment; I believe that your requested variances are reasonable and will not have any negative impact on neighbors or the neighborhood if granted. I support your requests, and hope that the deciding board will grant them as requested.

I look forward to meeting you and your family, so as to welcome you to our community in person.

Larry Jacobs
