The property owner or owner's agent may request the specific date or dates of application(s) to be provided and, if so requested, the pesticide applicator or business must inform of the specific dates and include that date or dates in the contract. Pesticides that may be applied to your property and their warning information pertinent to the protection of humans, animals, and the environment are attached to the contract. You will be notified of the specific pesticide products to be applied immediately prior to application. If owner/occupant is not available at time of application, you authorize for the list of products applied to be left in a conspicuous spot. A hard copy of the label and MSDS are available by contacting our office. By signing below I acknowledge receipt of the label package, and authorize the use of the products contained within on my plant material. Total number of pesticide applications: 1 Total cost of pesticide applications: \$1,176.00
