Subject: Reiser Property in Menteth Dr

Dear Mr Cooper,

My name is Bob Jacobson. My wife, Cathy, and I live at 5271 Menteth Dr in Canandaigua. We also own the lot that Menteth Dr is on and is the private road that leads to the Reiser's property.

Cathy and I are sending you this email to make sure you and the board know that we fully support the project the Reisers are presenting. We believe that their home will be a great addition to our neighborhood and to Canandaigua Lake.

We regret that we could not be there in person tonight to verbally state our support of their plan, but are hoping you will let the board know that we do support the project and hope they will receive the variances necessary to move forward with their new home.

Thanks

Bob and Cathy Jacobson
