Zoning Board of Appeals – Town of Canandaigua  
5440 Routes 5 and 20 West  
Canandaigua, NY 14424

Dear Members of the Board;

My name is William Henry. My family lives at 5269 Menteth Dr (Menteth Landing LLC). I met Richard and Alyse Brovitz last year when they submitted their proposed house plans to the board for review and approval. Prior to that planning meeting, I reviewed their plans and fully supported their proposed project.

They recently let me know they wish to build a secondary two-story garage/storage structure on the most westerly portion of their lot which borders my family's property. They provided me with a plan and elevations of the proposed structure. It is my understanding that they are requesting 4 variances, three of which were approved for the former applicant's garage, and are requesting a fourth variance for height. I am in support of their proposed structure and the approval these four variances.

Kind regards,

William Henry
