Subject: RE: Callahan Berlinger matter

Great! I will forward this along to the Zoning Board of Appeals.

Vanessa, I did get your vmail as well.

Thank you both,
Shawna

Subject: Callahan Berlinger matter

Vanessa Waters and I would like to offer our support for the approval of the above referenced matter that is currently before the town Zoning Board of Appeals. We own land on Johnson Road and share a common boundary with both the Callahan and Berlinger properties.

We have talked with John Callahan and Dr. Berlinger, walked the property, looked at the survey map and understand this is a minor property division. And that There are existing structures on the parcel to be transferred and no new building is proposed.

We support the granting of the variance and do not object to it.

Ed Varno

Vanessa Waters
