Subject: RG&E Town of Canandaigua Proposal

Christian,

Thank you for taking the time to speak with me on the phone a moment ago. As we discussed, I have recently been assigned the task of responding to your letter dated January 23, which incorporates comments from the Planning Board dated January 7, 2019. I have spoken to RG&E's lead telecommunications engineer, Pete Stritzinger, and he is in the process of preparing a full response to the questions set forth in your letter and by the Planning Board that relate to the scope of RG&E's network. I'll be able to send you our response by email on March 4, however, we may need some additional time to fully dig into some of the more technical questions raised by the board. In any event, Pete will appear at the next Planning Board meeting and be prepared to answer any questions in person.

Regards,

Joshua A. Silver, Esq.
