Re: Aegis Solar, LLC
Special Permit and Site Plan Application
5932 Monks Rd
Canandaigua, NY 1424

Mr. Jensen:

Our company, Cypress Creek Renewables, the interest owner of Aegis Solar, LLC, is delivering an update to our Special Permit and Site Plan Application package to your office regarding the above referenced solar farm project located in Canandaigua. The original application package was delivered on April 12th, 2017. This application update is respectfully submitted for your review in advance of the Town of Canandaigua Planning Board Meeting on August 22nd, 2017.

The original Review Memo received from the PRC is attached for your convenience. The following materials are included in this application update to be added to the original package:

- Aegis Solar Civil Site Plans
- Aegis Solar Zoning Site Plans
- Aegis Solar SWPPP
- Canandaigua PRC Review Memo dated 4/17/17
- Soil and Erosion Control Application
- Commercial Structure Application
- One Stage Site Plan Approval Application
- Preliminary Site Plan Checklist
- Construction Sequencing Diagram

Thank you in advance for your assistance. Please contact me should you have any questions, or require any additional information.

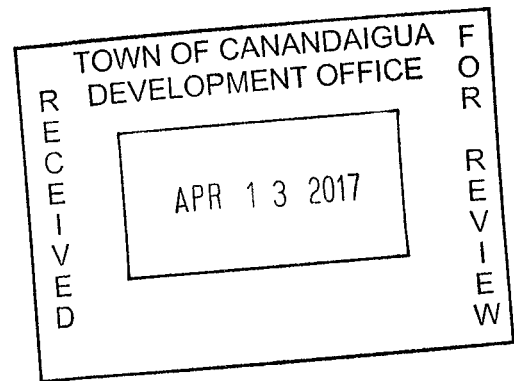

Kind Regards,

Tom McIlwaine
Zoning Manager

Re: Aegis Solar, LLC
Special Permit and Site Plan Application
5932 Monks Rd
Canandaigua, NY 1424

Mr. Jensen:

Our company, Cypress Creek Renewables, the interest owner of Aegis Solar, LLC, is delivering a Special Permit and Site Plan Application package to your office regarding the above referenced solar farm project located in Canandaigua. This package contains one full copy of our application with the understanding that additional copies will be requested at a later date. This application is respectfully submitted for your review in advance of the Town of Canandaigua Planning Board Meeting on May 23rd, 2017.

Please note Cypress Creek Renewables is still in the process of performing a topographic survey and developing a full Civil Plan Set (including our Erosion and Sediment Control Plan, Drainage, and Grading Plans). We included the Erosion and Sediment Control Permit to acknowledge that these plans will be created while adhering to the specifications detailed in the permit, and the property owner will sign the Permit Application at that time. These materials will be submitted as soon as they are available in advance of the above referenced Planning Board Meeting.

Thank you in advance for your assistance. Please contact me should you have any questions, or require any additional information.

Kind Regards,

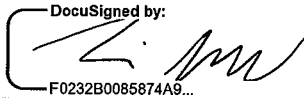

Tom McIlwaine
