To whom it may concern,

We wanted to send a quick note to express our support of Bruce & Shannon's request to obtain a special event permit in order for him to show off his seasonal decorations. Bruce and Shannon go *well* out of their way to provide our neighborhood with something nice to look at throughout all of the holidays. Bruce has all of his lights turned off at a respectable time of the evening. His property is very well maintained and decorated in a fashion that allows for viewers to safely walk around and enjoy what he has put on display. This includes lighted pathways, and specific areas that are roped off to ensure viewers stay on the proper viewing path. Bruce and Shannon have brought a much needed sense of cheer to the entire neighborhood. Especially for the children who all thoroughly enjoy and look forward to his decorations all year long. It would be a real shame to take this special attraction away all of the people who sincerely enjoy it.

Thank you,

Lenny & Ellie Zeitvogel
