Good morning Kyle,

As discussed last week, attached is a completed Short Form EAF for the Old Brookside Lot 38 submission made recently. As noted when we spoke we believe SEQR for this application was already completed as part of the overall subdivision review.

Please let us know if you need anything else prior to the Planning Board meeting. Thank you,

Good morning

I have sent this email over to BME and he said he will get that taken care of.

Thank you,
