RE: Public Hearing September 28, 2021

Justin Henderson...requesting a Special Use Permit for a Major Home Occupation, onsite
Federal Firearms Licensed Dealer.

Members of the Planning Board
Town of Canandaigua, NY 14424

We are vehemently opposed to allowing this Special Use Permit! Not only does Overlook Lane handle all of the traffic coming into and going out from this 100% residential community, but it is also the route of all of the neighborhood school buses – one of which stops directly in front of Mr. Henderson's home, picking up several neighborhood children, one of whom may well be his young daughter. We don't want any added traffic or inventory temping to outsiders in our neighborhood!

Whether this proposed business is actually conducted inside the home or online, whether or not the inventory is in-home or handled through a fulfillment facility, we primarily do not want to set any precedent for the future of a home or an address in our residential area being used to conduct any business whatsoever – but most especially a business associated with weapons!

Please deny this Special Use Permit!

Thank you,

Stan and Diane Nelson
