Re: Parkside Drive Apartment project – Canandaigua, NY

Messrs. Oster and Roland,

It is our understanding that Edgemere Development is proposed a 48-unit workforce apartment project along Parkside drive adjacent to DePaul's Trolley Station.

Please allow this letter to serve as confirmation that DePaul, owner-manager of Trolley Station, is willing to provide up to 10 of its parking spaces for the future residents of Parkside Drive Apartments on an as needed basis. If this additional parking proves necessary, Edgemere will notify DePaul and certain parking spaces will be identified for that purpose.

If there are any questions, I can be reached at mfuller@depaul.org or 585-719-3111. Best of luck to you and the Edgemere team.

Sincerely,

Mark Fuller, President
DePaul
