WHEREAS, New York General Municipal Law Article 17-A provides for the consolidation of two or more local government entities if together the consolidated local government entity forms a local government entity of a kind or class that is authorized under the laws of the State of New York; and

WHEREAS, the Town Board has the overall authority for managing the operation, maintenance and finances of each Special Water District serving the Town of Canandaigua ("Town"); and

WHEREAS, after their review, the Town Board has determined it is in the best interest of the Town to consolidate the above Special Water Districts to provide long-term, safe and reliable water supply for all customers in those districts, to maintain stability, and to reduce administrative and operational costs wherever possible; it has therefore directed the preparation of this Joint Consolidation Agreement; and

WHEREAS, the proposed water district consolidation will not result in any additional costs or debts to the district residents.

NOW THEREFORE, the Town Board, acting jointly as the governing body of the Consolidated Water District as well as the governing body of the Water District Extensions, sets forth the following terms which constitute the Proposed Joint Consolidation Agreement between the Consolidated Water District and the Water District Extensions, as required by General Municipal Law Article 17-A:

1. Name of Each Entity to Be Consolidated: The name of each local government entity to be consolidated is as set forth above.

2. Name of the Proposed Consolidated Entity: The eight Water District Extensions are to be consolidated into the existing Canandaigua Consolidated Water District and thus the name of the consolidated entity will be the Canandaigua Consolidated Water District (the post-consolidation Canandaigua Consolidated Water District is referred to herein as the "Consolidated Entity").

3. Rights, Duties and Obligations of the Proposed Consolidated Entity: The rights, duties and obligations of the proposed Consolidated Entity will be the same as those for the current Canandaigua Consolidated Water District (as more specifically set forth in NY Town Law), except that those rights, duties and obligations will now also apply to a larger area which is to include the area of the Water District Extensions. Those rights, duties and obligations include providing long-term, safe, reliable and economical water supply to the customers served. This is accomplished by, among other things: (1) establishing standards for the addition, upgrade and maintenance of water infrastructure; (2) approving and overseeing construction of new water infrastructure by third parties; (3) managing contracts to replace and upgrade existing water infrastructure; (4) overseeing/performing maintenance on existing facilities; (5) monitoring the condition of water infrastructure; (6) establishing priorities and budget estimates for water infrastructure improvements; (7) ensuring compliance with environmental regulations and permits; (8) developing the district's operating and capital budget; and (9) coordinating budget development with the Town's capital and operating budget.

4. Boundaries of the Consolidated Entity: The boundaries of the Consolidated Entity shall be the same as the current boundaries of the Canandaigua Consolidated Water District (which boundaries are available for public inspection at the Canandaigua Town Clerk's Office), except as expanded by the addition of the Water District Extensions. The boundaries of the Water District Extensions generally comprises lands straddling Route 21 South (between Parrish Street Extension and Bristol Road - #5), lands straddling Route 21 South (immediately north of Nott Road - #6), lands straddling West Lake Road (between Menteth Drive and Strawberry Lane - #8), lands straddling Route 21 South (south of Nott Road and north of Rock Oak Hill Road - #9), lands straddling West Lake Road (south of Wyfells Road and north of Tichenor Point - WLR benefit), lands straddling Wyfells Road and Acorn Hill Drive (#10), lands bordering the west side of Canandaigua Lake (between Station House Drive and West Lake Road - #11), and lands straddling Parrish Street Extension (between Route 20 and Route 21 South - #20). The precise boundaries are available for public inspection at the Canandaigua Town Clerk's Office.

5. Type of the Consolidated Entity: The Consolidated Entity will be a Town Water District.

6. Fiscal Estimate of the Cost and Savings Which May be Realized: The consolidation of the entities will result in savings through elimination of duplicative administrative costs associated with planning, budgeting, and accounting and operations costs associated with, among other things, water sampling. The consolidation will result in financial savings primarily through the elimination of duplicative administrative bookkeeping and operational costs. No improvements are required to complete the consolidation of these districts. There will be no additional cost to the Town as a result of the consolidation.

7. Each Entity's Assets: The Canandaigua Consolidated Water District's assets consist of underground infrastructure piping, water mains, fire hydrants, pump stations, miscellaneous facilities including air relief valves, pressure reducing valves and backflow protection devices and equipment used to maintain the system. Detailed infrastructure information is available for public inspection at the Canandaigua Town Clerk's Office.

The Water District Extensions' assets consist of additional underground infrastructure piping, additional water mains, fire hydrants, and miscellaneous facilities including air relief valves, pressure reducing valves and backflow protection devices. Detailed infrastructure information is available for public inspection at the Canandaigua Town Clerk's Office.

8. Each Entity's Liabilities: The Canandaigua Consolidated Water District has no debt. The Water District Extensions will have no debt prior to the consolidation. No new debt is to be incurred by the consolidation.

9. Terms for the Disposition of Existing Assets, Debt and Liabilities: All assets of the Canandaigua Consolidated Water District and the Water District Extensions will become assets of the Consolidated Entity. Any existing debt of each water district will become the debt of the Consolidated Entity.

10. Administration of Laws: The Town Code regarding Water Districts and the New York State Law regarding Waters Districts will be applied against the Consolidated Entity as a single Town of Canandaigua Water District (which will be comprised wholly of the existing Canandaigua Consolidated Water District and the former Water District Extensions). Local Laws, Ordinances, Resolutions and Orders affecting the Consolidated Entity would continue to be administered and enforced by the Town of Canandaigua Water Superintendent and/or the Town's Code Enforcement Officer.

11. Effective Date: This consolidation shall be effective immediately upon the completion of the procedures for effecting this consolidation under General Municipal Law Article 17-A.

12. Time and Place for Public Hearing: Pursuant to Article 17-A of the General Municipal Law, the Town Board of the Town of Canandaigua, shall meet at the Town Hall, 5440 Route 5 & 20 West, Canandaigua, NY 14424 on _____, 2017, at _____ p.m. for the purpose of conducting a public hearing on the proposal to consolidate the Canandaigua Consolidated Water District with the Water District Extensions, at which time and place all persons interested in the subject thereof may be heard concerning the same.

IN WITNESS WHEREOF, the parties herein have executed this Proposed Joint Consolidation Agreement as of the date first written above.
