Dear Board Members:

We own 5265 Menteth Drive, the property to the north of 4760 South Menteth Dr. on Menteth Point. The Hooker family Quisisana Trust owns 4760 South Menteth Dr. Menteth Creek separates our properties.

Saralinda Hooker informed us that they plan to replace one of the houses on their property which they call the "Little House."

Ms. Hooker sent us a copy of their proposed site plan and a rendering of the new house for our review and comment. The site plan looks great. The new Little House is very attractive and in keeping with the character of the lake. We are particularly pleased with the fact that it will be a winterized home permitting our neighbors to enjoy staying at their property during the winter months.

We fully and enthusiastically support their application for approval.

Alyse and Richard Brovitz
