RE: JENNISION SITE PLAN (JOB NO. 20-5400)
RESPONSE TO COMMENTS

Dear Sir or Madam,

We have received your comments relating to the above referenced One-stage (Preliminary and Final) Site Plan check list dated June 16, 2020 and have the following responses:

1. All dimensions are shown in feet and hundredths of a foot.
2. The southerly neighbor has been added to the plan.
3. The name and seal of the New York State licensed professional engineer will be affixed to the final plan.
4. The Planning Board Chairperson's signature line was on the plan above the revision block.
5. The wrong shade of grey from the zoning map was chosen as the applicable district boundary. The correct zoning district has been revised on the plan.
6. The bearings and distances of all property lines have been added to the plan.
7. The building setback lines have been added to the plan.
8. The data to determine readily the location, bearing and length of the boundary lines have been added to the plan.
9. Dimensions have been added to the limits of disturbance.
10. The width of the driveway has been added to the plan.
11. The location of the proposed overhead wires has been added to the plan.
There is no natural gas along Smith Road.
12. The cost estimate for the erosion control for this project would be about \$2000.

13. The area of disturbance has been revised.

14. A new structure permit application will be submitted by the builder.

If you have any further questions or comments, please feel free to contact us.

Sincerely,
