MRB PROJECT NO.: 0300.12001.000 PHASE 287

Dear Mr. Finch,

MRB has completed a review of the submitted Site Plan regarding the above referenced project, dated October 26, 2022, last revised December 6, 2022; Engineer's Report dated October 26, 2022; and project SWPPP dated October 26, 2022, last revised December 1, 2022, all prepared by Marks Engineering. We offer the following comments for your consideration.

Please note that all of our previous site plan and SWPPP comments have been addressed, and that we find the SWPPP to be accurate and complete and have no further comments; therefore, we are attaching the accompanying completed Town of Canandaigua MS4 SWPPP Acceptance Form for the MS4 Official or Duly Authorized Representative to review and sign.

The signed MS4 SWPPP Acceptance Form is to be returned to the applicant to insert this form into the Project SWPPP that will be kept onsite during construction certifying its approval.

A PDF copy of the signed Final Plans once all signatures are obtained is to be provided to the Town Development Office and MRB Group.

Please note that the Town of Canandaigua Stormwater Maintenance Agreement is to be signed, submitted to the Town, and approved and filed prior to issuance of a Certificate of Occupancy.

Please feel free to contact our office with any comments or questions you may have in this regard. Thank you.

Sincerely,

Lance S. Brabant, CPESC.
