Brett-

Thank you for working on this.

For reference, I calculated 8 signs, 2 allowed, so you were requesting a variance for 6 additional signs.

With this change, are you proposing 5 signs, versus 8, correct?

Shawna and Kimberly,

In preparation for next weeks meeting, I have been reviewing the existing uses and signs near the Popeyes. I have gone back to the owner and worked with them to eliminate some of the originally proposed signs. Instead of six signs we are proposing three. Two Popeyes signs and the chicken logo on the front elevations. We will be proposing that all other signage be eliminated. See the attached PDF's. Please let me know what you need from us at this point or if we should just address it next week?
