Will you consider the thanks y'all on the back side of the do not enter signs as signage?

Brett- Let me know if you want to make any other changes to this proposal after our e-mail exchange related to the 2 shutter signs.

Thank you,
Shawna

Shawna and Kimberly,

In preparation for next weeks meeting, I have been reviewing the existing uses and signs near the Popeyes. I have gone back to the owner and worked with them to eliminate some of the originally proposed signs. Instead of six signs we are proposing three. Two Popeyes signs and the chicken logo on the front elevations. We will be proposing that all other signage be eliminated. See the

attached PDF's. Please let me know what you need from us at this point or if we should just address it next week?
