Re: SEQRA  
Carol Eiffert Subdivision Project

Dear Mr. Venezia:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP) as part of your SEQRA process. We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and related only to Historic/Cultural resources. They do not include potential environmental impacts to New York State Parkland that may be involved in or near your project. Such impacts must be considered as part of the environmental review of the project pursuant to the State Environmental Quality Review Act (New York Environmental Conservation Law Article 8) and its implementing regulations (6NYCRR Part 617).

Based upon this review, it is the OPRHP's opinion that your Subdivision of Property Project will have No Impact upon cultural resources in or eligible for inclusion in the State and National Register of Historic Places. This recommendation pertains only to the subdivision of the land associated with the Project Area examined during the above-referenced investigation. It is not applicable to any other portion of the project property, or for the subsequent development of the land. Should the project design be changed OPRHP recommends further consultation with this office.

If further correspondence is required regarding this project, please refer to the project number (PR) noted above. If you have any questions, I can be reached at 518-268-2218 or via email at [Josalyn.Ferguson@parks.ny.gov](mailto:Josalyn.Ferguson@parks.ny.gov)

Sincerely,
