**Subject:** Town of Canandaigua Auto Carwash Project- Comments

Good Morning,

We have reviewed the Plans Set for the Project titled: " Auto Carwash 4406 Route 5&20" for the Town of Canandaigua. It appears that the proposed project will disturb the 100ft Wetland Buffer Zone. Project activity within the Wetland Buffer Zone requires a permit from the NYSDEC.

Please consult with our permits department regarding the need for a permit.

Thank you!

Kathy Ammari, EIT  
Environmental Engineer, Division of Water
