RE: CPN-18-057
4571 Steep Drive Area Variances
September 18, 2018 Meeting

Dear Zoning Board:

My family owns the land adjacent to 4571 Steep Drive, to the north. I have reviewed the applicant's site plans and request for front and side setback area variances, as well as the plan to remove the gravel parking area to the north, and I fully approve of the plans.

Please feel free to call me at 585-329-6217 or email at js131@aol.com if there is any further information needed to support the applicant's request for area variances.

Sincerely,

Jeffrey O. Smith
