Canandaigua, N.Y. 14424

Dear Mrs. Venezia-Joyce

We are in receipt of a site plan set for the referenced project dated December 17th, 2021.

GENERAL

1. Renovation permit required for renovation.

SITE PLAN

1. Label 8 inch AC pipe on sewer main shown on drawing.
2. If the current lateral and tap are to be reused it has to be televised and witnessed by District staff to determine viability for reuse.
3. If the current lateral is SDR-35 the same material can be reused if it has been deemed acceptable after televising.
4. Remove "Inserta Tee" Detail if reuse of existing lateral is the current plan.
5. Label Manholes 70 to the North and 71 to the South.
6. Clean outs are required every 90 feet and up stream of every bend.
7. Add a clean out at the 45 degree change of direction closest to manhole 71.
- 8.

Please make revisions and resubmit to our office and after approval we will issue a lateral permit. If you have any questions I may be reached at (585) 396-4301

Sincerely,

Donald E. Havens, Jr.
Supervisor, Canandaigua Lake Sewer District

cc: Steven May, Ontario County Supervisor of Wastewater Management.
Development Clerk, Town of Canandaigua (Via email)
